

Chico Airfest September 26 - 27, 2008:

We didn't stay for the show & flew out about noon. The Snow Birds would have been nice to watch but that would have meant staying until almost 5:00 and it was HOT! Lots of nice cars and bikes. Three coupes, Buzz Dolim with Myron Dodd, Bill Palank with Jeanne Mundy, and Me-all. Jim Blackmore drove up from AUN so he would have his electric scooter and oxygen bottle and Jim Grimes & his son drove over from the north bay area. Maynard.
