

**EAA Chapter 1 Fly-In & Open House, Flabob Airport, September 27, 2008 Riverside**

This is a local EOC favorite. The event included the usual stuff; Pancake breakfast, aircraft displays, vendors, educational forums, etc. Guest speaker was EAA's Tom Poberezny @3:00PM, followed by a sold out Gala Banquet @ 6:00 p.m. with guest speaker Burt Rutan (Linda Abrams attended). Unfortunately the original report was lost when my PC crashed back in early October and I can't recall all the details.

I'll try and follow up later with more. If I recall this was attended by Gary Dallugge, Tom Crowder, Dan Hall, Anna Marie Flowers, LarryConley, and Linda Abrams. If anyone has more details they can recall, please email me @[d.hall@cox.net](mailto:d.hall@cox.net)
