

Flabob Veterans Day Event, November 11, 2008

Weather finally cooperated and provided a near perfect day for this years Veterans Day event at Flabob Airport in Riverside. The event attendance was very good despite high fuel prices and the ongoing bad economic news. After a considerable wait, the Coupe group members enjoyed lunch together at the (VERY BUSY) Silver Wings Cafe. We also enjoyed the parade with marching band (w/ bag pipes) & distinguished veterans, multiple fly-by's (including a C-17), and lots of antique and classic airplanes & cars on display. Gary paid particular attention to a couple of 1962 Corvettes. All in all it was a VERY fun day.
